TERMS & CONDITIONS:

By becoming a Member of Padstow RSL Club you are automatically placed in the entry level of our Sapphire Rewards Program, by signing your membership form you agree to the terms and conditions set out below. If you wish to opt out of the Padstow RSL Club Sapphire Rewards Program you can do so by notifying the General Manager in writing.

Padstow RSL Club Members can have only one card at a time and members are not permitted to allow other persons to use their card, to do so may compromise the tier level you have attained.

Memberships and any accrued points or rewards are not transferable or to be swapped for cash.

The basis on which you can accrue points or redeem rewards is determined solely by us (in our absolute discretion) and is subject to change from time to time without prior notice to you.

Each time you present your membership card within the club for purchases of food, beverages & gaming you will earn points. The Padstow RSL Club Sapphire Rewards program is a 3 level tier system, each tier with their own rewards. Rewards may include discounts on food and beverage purchases, selected complimentary beverages, bonus raffle tickets and various other rewards.

As you earn points, you will progress through our tiers, current members will be placed into a tier based on the number of points earned over the previous 3 months. New Members will be placed in the entry level tier. You can start earning points and take advantage of Padstow RSL Club Sapphire Rewards benefits immediately.

Every 3 months the club will review all members point activity. If the points you have earned exceed you tier you will be promoted. There is no limit to the amount of points you can earn and the higher you progress the more rewards and benefits you will receive. If a member has not maintained the number of points earned to qualify for a tier, they may be moved down to the appropriate tier. This will take place twice per year.

The Rewards we offer are a courtesy extended to you at our sole discretion and are not automatic entitlements (legal or otherwise).
